2019–20 – The 2018–19 Bundesliga was the 56th season of the Bundesliga, Germany's premier football competition. It began on 24 August 2018 and concluded on 18 May 2019.[2] It also marked the first season without Hamburger SV, previously the only team to have played in the top tier of German football in every season since the end of World War I.[3] Following a trial phase in the previous season, the video assistant referee system was officially approved for use in the Bundesliga after being added to the Laws of the Game by IFAB.[4] Bayern Munich were the defending champions, and won their 28th Bundesliga title (and 29th German title) and seventh consecutive Bundesliga on the final matchday.
